

## Slope Rules

The following rules supplement the Slope Standing Orders (SOP's) held by the Base Facilities Manager and available in the ski hut.

- Tow can only be operated under the supervision of an instructor
- Tow area must be cleared immediately once skiers have disembarked
- The runout area at the bottom of the slope must be kept clear at all times
- Skis and poles should be stored carefully on slope when not in use
- Skis and poles must be returned at the end of the lessons
- Members must remain within the slope area at all times
- Helmets are mandatory for all skiers under the age of 16 years
- Members not following slope rules could be asked to leave
- Members must show respect for others, for the equipment and facilities
- Members must control speed when skiing
- In the event of an accident on the slope your Instructor will advise on action required

Arbroath Ski Club will not be responsible for any loss, theft or damage to members property whilst on the Base or taking part in any Arbroath Ski Club organised activity.
